Performance Flex Blue vs. Choice Blue

The **Performance Flex Blue** product has leveraged local collaborations across the state, including **Choice Blue**, to create one cohesive statewide solution.

PERFORMANCE FLEX BLUE FOOTPRINT

Performance Flex Blue is a good fit for those who have membership disbursed across the state.

CHOICE BLUE FOOTPRINT

Choice Blue is a more regionally based solution and is better suited for smaller clients who have 50% or more membership in the Choice Blue footprint.

Choice Blue and Penn State Health

Working together to deliver cost savings and quality care.

- Securely sharing clinical and claims data, to identify and manage high-risk, high-cost members earlier
- Expanding and improving health care infrastructure throughout the region with more practices, more hospitals, and more access to top-quality care closer to home
- Making it easy for members to see an in-network specialist with Penn State Health's referral line
